2. Introduction

a. Company History

Founded in 1997 and currently headquartered at the heart of Kuala Lumpur city, **Pioneer Engineering Sdn Bhd** (PESB) is a leading service provider in Malaysian Oil & Gas industry. In its 20 years of experience, PESB has built up a reputation of the highest quality of service and technical support in its areas of expertise. PESB's culture of nurturing the trust and relationship of our customers has been the catalyst for the good relationships with most of the major oil and gas players in Malaysia.

b. What We Do

Some of our notable achievements are the award of Topside Major Maintenance Contracts by ExxonMobil, Newfield and Carigali HESS that covers maintenance for all their offshore facilities in Malaysian waters, a long term contract by Talisman Malaysia Limited in Heat Exchanger Maintenance for all their offshore facilities in northern Peninsula Malaysia, Advance NDT Inspection Contract by Petronas Gas Berhad and many other projects by Petronas Carigali Sdn Bhd.

The above achievements which otherwise would have been impossible if not because of our team of experts which comprise of excellent technical and management team members. The people of PESB are the most important asset of our company. We believe that the knowledge and expertise of our team will enable us to create a dominant force in providing excellent services to our clients which are second to none. This has also led us to become the preferred contractor and sub-contractor for many of our clients and partners.

Our headquarters in Kuala Lumpur is supported by three strategic bases in Teluk Kalong Yard, workshops in Kemaman Supply Base and Warehouse and site offices in Johor. This strategy enables us to provide fast and efficient services to our valuable clients.

c. Our Areas of Expertise:

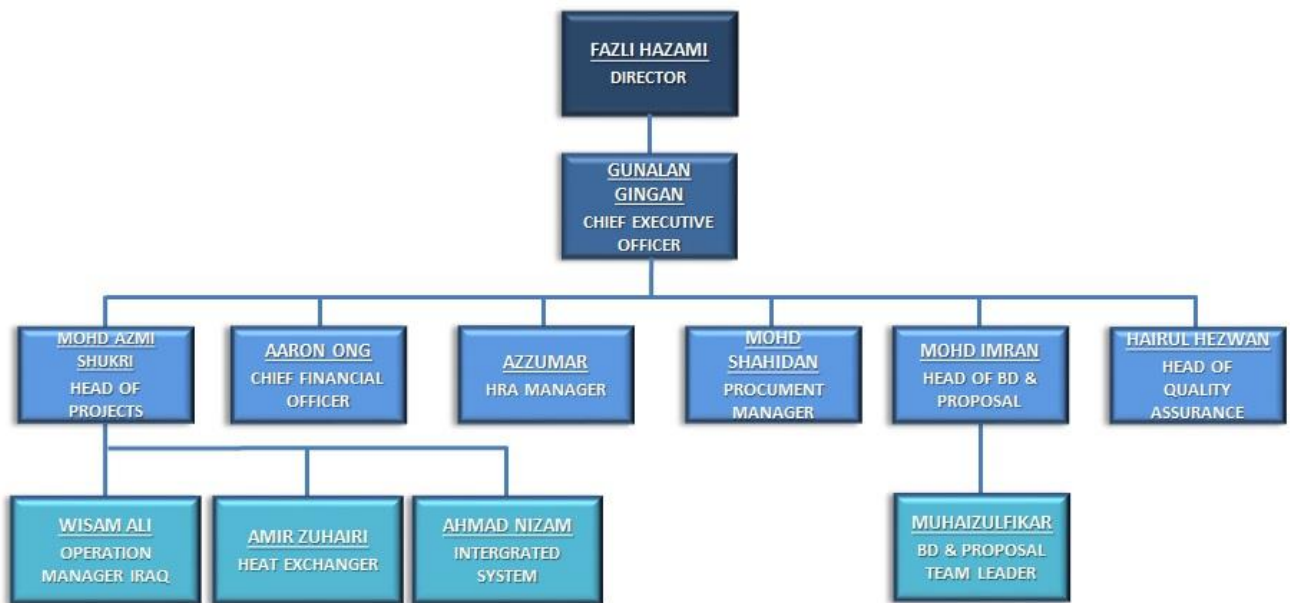

- Construction & Maintenance Works (Upstream & Downstream)
- State-of-the-art advance NDT inspection equipment
- Dedicated team for Heat Exchanger Specialized Maintenance
- DOSH certified repairer for Boiler & Unfired Pressure Vessel
- Experienced and competent technical staff
- Project execution from subcontract to full turnkey
- Fast response to clients' needs

c. Our Areas of Expertise (cont'd)

PESB has an impressive track record of providing maintenance, repair, inspection and improvement works for Oil and Gas facilities for offshore and onshore. We take pride in being a safety-focused company and adhere to utmost professionalism in delivering remarkable quality works to our clients.

PESB is focused on investing in workshop facilities, quality management, safety excellent management system, human resource development together with modern and reliable testing equipment in order to succeed in breaking new ground, in terms of corporate direction, range and quality of services as well as client satisfaction.

d. Company Organizational Structure and Key Personnel

2. Introduction (cont'd)

d. Company Organizational Structure and Key Personnel (cont'd)

Gunalan Gingan – Chief Executive Officer

A Mechanical Engineering graduate from Universiti Tenaga Nasional, Gunalan started his career as a trainee engineer with Tenaga Nasional Berhad.

From there, he shifted to the fast-paced and exciting world of oil and gas by holding various commercial positions in Petronas for close to 10 years. During his tenure with Petronas, he spent 4 years being posted in Vietnam as the CEO of one of Petronas' subsidiary companies.

Gunalan was appointed CEO of Pioneer Engineering in December 2010 with the responsibility for driving the operations of Pioneer Engineering forward and developing competencies that will help elevate us into an internationally recognised multi-disciplinary oil and gas service provider. In November 2012, Gunalan was instrumental in securing a first ever tender Contract in Iraq by a local Malaysian oil and gas player.

Mohd Azmi Shukri Mohd Hatta – Head of Projects

Mohd Azmi Shukri holds a Bachelor of Mechanical Engineering Degree from Universiti Tenaga Nasional.

Azmi brings with him a decade worth of experience in the gas turbine refurbishment activities including in-situ machining projects such as steam turbine casing machining, casing drilling, seal fin repair, ST diaphragm machining and more.

He is also responsible for the ISO 9001:2008 (Quality Management System) certification in Pioneer Engineering, in order to develop Quality Management, process-oriented and proper documentation culture amongst company personnel.

Aaron Ong– Chief Financial Officer

Aaron is a qualified CPA with the Malaysian Institute of Certified Public Accountants and holds the designation of CA (Malaysia) with the Malaysian Institute of Accountants.

He began his career in a professional accountancy practice in 1997 serving for 6 years before moving on to the commercial industry. Since then, he has held key financial positions in various companies which include a public listed company in Singapore and multinational companies which were involved in the hospitality, gaming, manufacturing and financial services industries.

e. Highlight of Financial Performance

| <i>Period</i> | <i>Revenues (RM'000)</i> |
|---------------|--------------------------|
| <i>2009</i> | 22,320 |
| <i>2010</i> | 29,986 |
| <i>2011</i> | 65,761 |
| <i>2012</i> | 92,818 |
| <i>2013</i> | 124,977 |
| <i>2014</i> | 96,261 |
| <i>2015</i> | 101,209 |

Authorized Capital : RM10, 000,000.00
Paid up Capital : RM10, 000,000.00

3. Company Strategy

VISION STATEMENT

To be an internationally recognized multi-disciplinary oil and gas service provider

MISSION STATEMENT

- Achieving customer satisfaction by providing cost-effective solutions without compromising Safety, Quality and Timeline
- Capability building is the cornerstone for our continuous growth
- Striving for superior profit is our goal

BRAND PROMISE - *'Always A Step Ahead'*

This is our promise to our working partners and affiliates as we constantly make a conscious effort to ensure that any endeavour, big or small, are well-prepared and meticulously well-planned out with all possibilities and consequences thoroughly thought-out.

BUSINESS GOAL & OBJECTIVES

We aim to ensure that each endeavour is based on a win-win situation and we believe that the key fundamental of a solid and thriving partnership is to understand our partners and what they are looking for.

4. Services and Capabilities

Pioneer Engineering Sdn. Bhd. is a specialized independent service provider for the Oil and Gas industry. Our spectrum of services covers the following:

a. Construction and Maintenance for Upstream and Downstream

- Onshore fabrication of structures, piping, E&I and other miscellaneous prefabrication works including all required NDTs
- Offshore tie-ins, installation, hook-up, calibration, testing and commissioning works
- Improvement and/or modifications to existing facilities (onshore/offshore)
- Removal, installation or modification of component parts of structures
- Removal, installation, modification, hydro testing and reinstatement of pipe work
- Major painting for FSO and topsides steel structures, piping and jackets including all preparation work

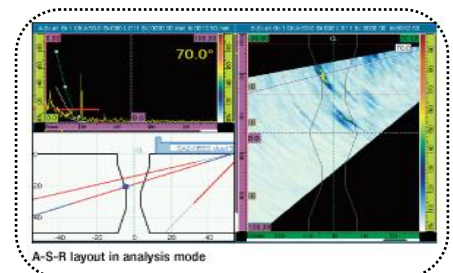

b. Heat Exchanger Specialized Maintenance

- Heat Exchanger Maintenance (Upstream)
- Mechanical Cleaning (Upstream)
- Specialized Method for Tube Plugging (Upstream)
- Chemical Cleaning (Upstream and Downstream)
- Tube Re-tubing (Upstream)

c. Inspection and Plant Monitoring

- Conventional NDT Method (UT, PT, MPI, RT)
- Advance NDT Method
 - ECT (Eddy Current Testing)
 - IRIS (Internal Rotary Inspection System)
 - RFT (Remote Field Testing)
 - MFLT (Magnetic Flux Leakage Testing)

- **TOFD** (Time of Flight Diffraction)
- Wire Rope Inspection
- Video Scope
- Plant Monitoring
 - Vibration
 - Infrared Thermography Inspection
 - Sound Measurement

d. Specialized Industrial Cleaning

- Ultra High Pressure Water Jetting – 40,000psi
- High Pressure Water Jetting – 15,000psi
- Pipeline Cleaning

e. Boiler and Unfired Pressure Vessel Maintenance (Downstream)

- Heat Exchanger and Boiler Service and Maintenance
- Tube Re-tubing
- Mechanical Cleaning

f. Plant General Maintenance (Scaffolding, Painting, Insulation, Electrical)

- Plant Turnaround Works
- Pigging
- Scaffolding
- Insulation
- Painting
- Electrical, Instrumentation and Control

5. Clientele and Past Projects

a. The company serves the main Clients in the Oil & Gas industry such as:

- Petronas Carigali Sdn Bhd
- ExxonMobil Exploration and Production Malaysia Inc.
- Talisman Malaysia Limited
- FPSO Ventures Sdn Bhd
- Shell Refinery Port Dickson
- Petronas Gas Berhad
- Petronas Penapisan Terengganu Sdn Bhd
- Petronas Ammonia Sdn Bhd
- Huntsman Tioxide Sdn Bhd
- Malaysia LNG Sdn Bhd
- Petronas Methanol (Labuan) Sdn Bhd
- Newfield Peninsular Malaysia
- Carigali HESS Operating Company Sdn Bhd
- Petronas Carigali Iraq Holdings B.V.
- Lundin Malaysia B.V.
- Petrofac (Malaysia-PM304) Limited
- Petrofac Energy Developments Sdn Bhd
- Hess Exploration and Production Malaysia B.V.
- Petronas Dagangan Berhad
- Carigali PTTEPI Operating Company Sdn Bhd
- Malaysia Marine and Heavy Engineering Sdn Bhd

5. Clientele and Past Projects (cont'd)

b. List of Committed and Past projects

| Contract | Onshore / Offshore | Client | Date |
|---|--------------------|--|-------------|
| Provision of Insulation Manpower, Equipment and Consumables for Honeydew Project | Onshore | BASF Petronas Chemical | August 2017 |
| Provision of Hook-up & Commissioning and Topside Major Maintenance Services for 2013-2018 (Abseiling Services Offshore) | Offshore | Sapura Fabrication Sdn Bhd | July 2017 |
| PFP Re-Coating Works for 18"Ca Mau Riser at BRB Platform | Offshore | PVGAS Ca Mau Company | June 2017 |
| Provision of Manpower, Materials, Equipment, Tools and Consumables for Rectification and Inspection Works of Pressure Vessel Onboard FPSO Bunga Kertas | Offshore | FPSO Ventures Sdn Bhd | June 2017 |
| Provision of Insulation Manpower, Equipment and Consumables for Lemongrass Project | Onshore | BASF Petronas Chemical | Apr. 2017 |
| Provision of Onshore Minor Fabrication for PM8E | Onshore | EQ Petroleum Developments Malaysia Sdn Bhd | Apr. 2017 |
| Provision of Minor Fabrication Services for Modification Project for Block B-17 & C-19 and B17-01 | Onshore / Offshore | Carigali-PTTEPI Operating Company Sdn Bhd | Apr. 2017 |
| Provision of Works for Unloading, Handling, Unpacking, Positioning and Installation of 2 Units of Francis Turbine and Generator Sets at Sungai Liang Power House (Upper Scheme) in Raub, Pahang | Onshore | Valoraz Sdn Bhd | Mar. 2017 |
| Provision of Ancillary Maintenance and Related Equipment at Bukit Jerung, Marang and Related Sites for Petronas Carigali Sdn Bhd | Onshore | Petronas Carigali Sdn Bhd | Sept. 2016 |
| Provision of Ultra High Pressure Water Jet (UHPWJ) Cleaning Services | Offshore | Carigali PTTEPI Operating Company Sdn Bhd | Apr. 2016 |
| Provision of Manpower, Tools, Consumables, Equipment, Supervision and Project Management for Piping Fabrication and Installation Works | Onshore / Offshore | Muhibbah Steel Industries Sdn Bhd | Feb. 2015 |
| Provision of Electrical and Instrumentation (E&I) Maintenance Services at Garraf Asset Operation Facilities for Petronas Carigali Iraq Holding B.V. | Onshore | Petronas Carigali Iraq B.V. | Nov. 2015 |

| Contract | Onshore / Offshore | Client | Date |
|---|--------------------|---|------------|
| Provision of Fabric Maintenance Services, Associated Equipment, and Consumables Supplies for Petrofac (PML & PED) | Offshore | Petrofac Malaysia Limited & Petrofac Energy Development | Sept. 2015 |
| Radiography Testing for Sabah Ammonia Urea (Samur) Project, Sipitang, Sabah, Malaysia | Onshore | Rekind Malaysia Sdn Bhd | Feb. 2015 |
| Provision of Manpower, Equipment, Tools and Consumables for Removal of Sand, Sludge, Residue and Wastage from Cargo Tanks Onboard Offshore Facilities | Offshore | FPSO Ventures Sdn Bhd | Jan. 2015 |
| Provision of Project Management System and Commissioning Services | Onshore | Hess Exploration and Production Malaysia B.V. | Nov. 2014 |
| Provision of Inspection and Maintenance Services for Heat Exchanger | Offshore | Talisman Malaysia Limited | June 2014 |
| Provision of Vacuum Truck Services for Petronas Carigali Sdn Bhd | Onshore | Petronas Carigali Sdn Bhd | Feb. 2014 |
| Provision of Blasting and Painting Services | Offshore | Talisman Malaysia Limited | Dec. 2013 |
| Provision of Insulation Services | Offshore | Talisman Malaysia Limited | Nov. 2013 |
| Price Agreement for NDT Services | Onshore | Malaysia Marine Heavy Engineering | Aug. 2013 |
| Provision of General Labour Services for Petronas Carigali Sdn Bhd | Onshore | Petronas Carigali Sdn Bhd | June 2013 |
| GPP3 Piping Insulation Work for PPR2 Project | Onshore | Petronas Gas Berhad | March 2013 |
| Provision of Electrical and Instrumentation (E&I) Maintenance Services for Garraf Contract Area Facilities for Garraf Operations | Onshore | Petronas Carigali Iraq B.V. | Nov. 2012 |
| Provision of Manpower, Materials, Equipment, Tools and Consumables for Heat Exchanger Cleaning Works Onboard FPSO Bunga Kertas | Offshore | FPSO Ventures Sdn Bhd | July 2012 |
| Provision of Topside Construction and Maintenance Services | Offshore | Carigali HESS Operating Company Sdn Bhd | Feb. 2012 |
| Provision of Brownfield Maintenance and Minor Construction / Pre-fabrication Services for Newfield's Production Operations | Offshore | Newfield Peninsula Malaysia Inc. | Jan. 2012 |

| Contract | Onshore / Offshore | Client | Date |
|---|--------------------|---|------------|
| Provision for Installation, Hook up and Commissioning of Pig Traps for Petronas Carigali Sdn Bhd - Peninsular Malaysia Operations and Sabah Operations (Petronas Carigali - PMO & SBO) | Offshore | Petronas Carigali Sdn Bhd | May 2011 |
| Blasting & Painting of Pipe Bridge P074/002, 003, 004, 009 (BE-219), 017, JBR, Booster Fan and SO2 Stack Removal Structure at Hunstman Tioxide | Onshore | Tioxide (Malaysia) Sdn Bhd | March 2011 |
| Provision of Heat Exchanger Inspection and Specialist Services, Petronas Carigali Sdn Bhd, Peninsular Malaysia Operations (PMO) | Offshore | Petronas Carigali Sdn Bhd | Aug. 2010 |
| Provision of Manpower, Material, Equipments, Tools and Consumables for Heat Exchanger (E-1710 and E-17508) Cleaning Works onboard FPSO Bunga Kertas | Offshore | FPSO Ventures Sdn Bhd | July 2010 |
| Provision of Manpower Supply, Equipment, Tools, Material and Consumable to Open, Clean, Inspect and Repair the Recent Leak for Petronas Carigali Sdn Bhd-PMO on Three Unit of Heat Exchanger | Offshore | Petronas Carigali Sdn Bhd | May 2010 |
| Provision of Topside Major Maintenance (TMM) Services | Offshore | ExxonMobil Exploration and Production Malaysia Inc. | May 2010 |
| Price Agreement to Perform General Instrument Servicing in Plant Operation Division (POD) and Centralised Utilities (CUF), Petronas Gas Berhad for a Period of Three (3) Years With an Option to Extend Another Two (2) Years | Onshore | Petronas Gas Berhad | May 2010 |
| Provision to Supply Manpower, Material, Equipment to Perform Cleaning on Printed Circuit Heat Exchanger, E2430 | Offshore | Petronas Carigali Sdn Bhd | Apr. 2010 |
| Term Contract for Provision of Scaffolding, Painting and Coating Work at Petronas Penapisan (Terengganu) Sdn Bhd. | Onshore | Petronas Penapisan (Terengganu) Sdn Bhd | Feb. 2010 |
| Price Agreement to Perform Complete Insulation Work at Plant Operation Division (POD) and Centralized Utilities Facilities (CUF), Petronas Gas Berhad (PGB) - GPP B & CUF Kerteh | Onshore | Petronas Gas Berhad | Dec. 2009 |
| Provision of Heat Exchanger Inspection and Specialist Service, for PCSB, Peninsular Malaysia (PMO) | Offshore | Petronas Carigali Sdn Bhd | Apr. 2009 |
| Price Agreement for Provision of Services for Small & Big Bores Piping Inspection Program at Plant Operation Division, PGB for a Period of 2 Years Package | Onshore | Petronas Gas Berhad | Nov. 2008 |

| Contract | Onshore / Offshore | Client | Date |
|--|-----------------------|---------------------------|-----------|
| Provision for Inspection and Maintenance Services for Heat Exchanger | Offshore | Talisman Malaysia Limited | Oct. 2008 |

6. Milestones

| YEAR | MILESTONES |
|------|--|
| 1997 | <ul style="list-style-type: none"> ▪ PESB was founded and registered as Mechanical & Civil contractor |
| 2006 | <ul style="list-style-type: none"> ▪ Acquired a fabrication yard at Kemaman Supply Based (KSB) with total area of 3,624 m² |
| 2007 | <ul style="list-style-type: none"> ▪ Established in-house team for Heat Exchanger, NDT Inspection and Boiler & UPV Maintenance ▪ Established new office at Kemaman for Heat Exchanger Team and Advance NDT Team ▪ Established new office at Puchong for Boiler and UPV Maintenance Team |
| 2008 | <ul style="list-style-type: none"> ▪ Acquired state-of-the-art equipment for Advance NDT method ▪ Secured Heat Exchanger Maintenance Contract with Talisman Malaysia Limited ▪ Secured Plant General Maintenance Contract with Petronas Gas Berhad |
| 2009 | <ul style="list-style-type: none"> ▪ Secured Heat Exchanger Maintenance Contract with Petronas Carigali Sdn Bhd ▪ Manpower Supply Contract Petronas Carigali Sdn Bhd |
| 2010 | <ul style="list-style-type: none"> ▪ Certified with ISO Quality Management System ISO/TS 29001:2010 & OSHAS 18001 ▪ Secured Topside Major Maintenance with ExxonMobil “EMEPMI” |

7. QMS and HSE

Quality Management System ISO/TS 29001:2010 and ISO 9001:2008

Pioneer Engineering Sdn Bhd has been audited and awarded the certifications of ISO/TS 29001:2010 and ISO 9001:2008 by Det Norske Veritas AS. Understanding and acknowledging the importance of being ISO accredited, PESB's top level management ensures these standards are met and adhered to by all levels of its staff.

A proper Quality Management System is important to PESB as it:

- Documents company policies, objectives, procedures and organization for quality to facilitate the direction, understanding, implementation, maintenance and improvement of the quality management system of PESB.
- Defines the responsibilities, authorities and accountabilities on quality of all departments.
- Translates quality policies into a set of quality objectives covering all processes within PESB.
- Provides management direction to all departments in order for an orderly and systematic workflow process.

Scope of Certification:

1. *Provision of Topside Construction, Hook-up & Commissioning, Inspection and Maintenance Services.*
2. *Provision of General Plant Construction, Commissioning, Inspection and Maintenance Services.*

7. QMS and HSE (cont'd)

Safety Excellent Management System OHSAS 18001

Health, Safety & Environment is a part of our business culture. PESB commitment is to provide Safe and Healthy working environment and at the same time continuously providing safety training and standard working procedure to enable company to achieve a high standard in Health, Safety and Environment in providing quality service to clients.

With a dedicated and experience in house Safety & Health Officer and full support by the management and entire PESB workforce, we have achieved **OHSAS 18001 accreditation in 2012.**
